RAIN WATER HARVESTING

Conserve the Rain Water

We implement Rain water harvesting to conserve rain water

- To recharge bore well
- To store in water tank
- To use for processes

Our Expertise

- Roof top Rain water harvesting
- Surface Rain water Harvesting
- Detail Site Survey & Feasibility Study

We Serve

- Industrial Shades / offices
- Residential / Commercial Buildings
- New Existing Residential Societies & Buildings
- IT Offices
- Educational Institutes

BIOGAS PLANT

Waste to Profit

Convert waste food, Treatment Plant Biological Sludge into BIOGAS & Reuse for Cooking / Heating & Electricity Generation.

We Are Ideally Suited For :

- Hotels
- Poultry
- Residential Township
- Educational Institutes
- Hostels, Hospitals
- Industrial Canteens
- Food Processing Units
- Market Yards
- Organic Sludge Process
- Vegetable Oil Refineries

We also under take Annual operation & maintenance Contract of BIOGAS Plant.

ANNUAL MAINTENANCE CONTRACT

Our organization is dealing in your Treatment plant Operation & Maintenance Service.

Our expertise :

- Depute expert operation manpower
- Monthly Preventive Maintenance Schedule
- Expert visit & plant health audit
- Spare parts supply
- Existing plant retrofits

EFFLUENT TREATMENT PLANT (ETP)

Waste To Reuse

To treat waste water to meet Pollution Control Board Discharge Limits.

Our ETP Plants are :

- Feature made to suit your requirement
- Pre-fabricated or civil
- PLC / IOT based Automation
- Sludge Dewatering Process
- Online Monitoring System

Industries We serve

- Food & Brewery
- Pharmaceutical
- Textile / Paint Industry
- Sugar Distillery
- Metal Industry
- Product Mfg. Industry
- Automobile Industry
- Hospitals

Salient Features / Our Expertise

- Solving environmental Pollution Issue
- Achieve outlet norms as per MPCB

We also under take Annual operation & maintenance Contract of ETP Plant.

SEWAGE TREATMENT PLANT (STP)

Treat and Recycle

We treat & recycle the sewage water by installing STP plants.

Which are :

- Containerized
- Pre-fabricated & Civil
- Low FOOT PRINT
- PLC / IOT based Automation

Ideally Suited for :

- Malls / Hotels
- Residential Society
- Industries
- IT offices
- Educational institute

We also under take Annual operation & maintenance Contract of STP Plant.

WATER TREATMENT PLANT (WTP)

To meet your process and drinking water needs

We treat raw water as per your required water quality in our WTP plants

Such as :

- Water Softeners/DM plants
- Water Filtration systems
- RO/UF plants

Ideally Suited for :

- Malls / Hotels
- Residential Society
- Industries
- IT offices
- Educational institute

We also under take Annual operation & maintenance Contract of WTP Plant.
